Response to Notice of Non-Compliant Amendment

In response to the Notice of Non-Complaint Amendment mailed February 28, 2005, a copy of the complete Amendment/Response mailed January 18, 2005 accompanies this transmittal, as requested in the Office Action.

For the record, it is believed the Response/Amendment as mailed on January 18, 2005 was indeed complete and compliant with 37 CFR 1.121. The undersigned attorney's as-mailed file copy of the Response/Amendment is complete and the PTO stamped Receipt Card indicates all 33 pages of the Amendment/Response were received by the PTO. It thus appears the missing pages 11-24 became missing after receipt by the PTO.

It is believed no further action is required to be taken by Applicant but if any matter remains outstanding, a telephone call to the undersigned attorney will be appreciated.
